

## Standard Parts. Ganter.

Dear reader,

We wish you a successful, healthy, and innovative New Year!  
In 2026, we are once again starting with fresh ideas and new products.  
With the **equipment feet GN 440**, we are expanding our portfolio with a stylish and versatile solution for secure and stable support.  
Our proven **cabinet u-handles GN 565** are now also available in a new handle width of 35 mm. The optimized ergonomics ensure even greater safety and comfort.  
This year, we will be exhibiting at various trade shows. Take the opportunity for personal exchange and experience our products live.

We look forward to a successful year together with you.

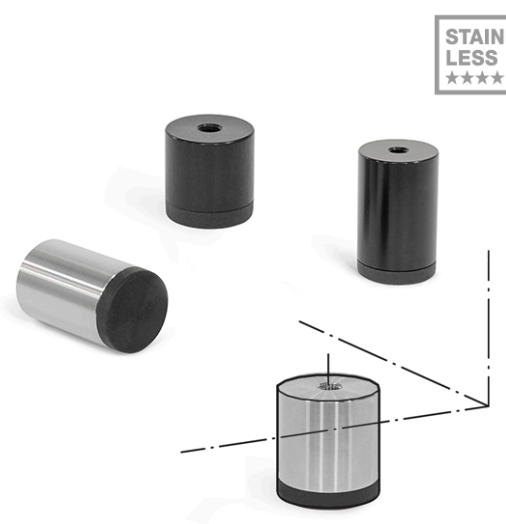

Greetings from the Black Forest!

**Otto Ganter GmbH & Co. KG**

### NEW Equipment Feet GN 440

Equipment feet [GN 440](#) are used to set up devices, smaller machines, or fixtures on worktops or tables. The non-slip cover cap increases stability, reduces wear on the underlying surface and covers the mounting hole from below.

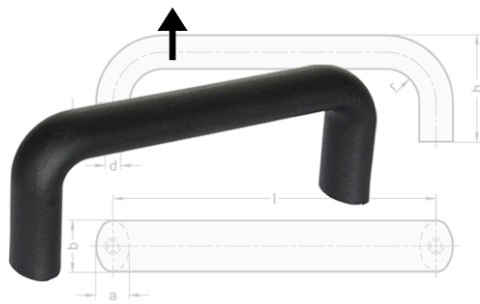

The black version ALS offers a discreet appearance and reduces surface reflections. The version A4M is particularly suitable for use in aggressive environments.

### New Size Cabinet U-Handles GN 565

**GN 565 Width 35**  
Load capacity up to 6400 N

[Discover GN 565](#)

Our proven cabinet u-handles [GN 565](#) are getting reinforcement:

The new handle width of 35 mm ensures optimal ergonomics – ideal for applications involving gloves, e.g. in firefighting, rescue services, and industrial environments.

**The key benefits at a glance:**

- New handle width of 35 mm for a secure grip
- Lengths up to 500 mm
- Load capacity up to 6400 N
- All surface finishes available – including UV-resistant and antimicrobial options
- Versatile applications: access and climbing aid, protective or grab handle
